BROODMARE BOARDING and FOALING FEES

(These rates apply to normal care given all our broodmares and foals.

Extra care, including medical and 24-hour stall care will be charged extra according to services rendered.)

BOARD RATES

DRY MARES (Pasture) - **\$15/Day**

WET MARES (Pasture) - **\$20/Day**

WET MARES (Stall with run) - **\$28/Day**

PREGNANT MARES in dry lot - **\$500/Month**

MARES WITH FOALS (Stall board after foaling while imprinting) - **\$175/Week**

MARES WITH FOALS (Boarded in pasture) - Up to 3 months - **\$550/Month**

MARES WITH FOALS (Boarded in pasture) - 4 to 6 months - **\$600/Month**

FOALING FEE - **\$475** - Includes the following:

- 3-4 person foaling team present at birth
- 24-hour monitor
- 24-hour stall care in the last 48-72 hour of labour and first 48-72 hours post-foaling
- Delivery aid and Post-foaling aid to mare
- Initial wellness check and birth imprinting of foal
- Milking of mare and bottle-feeding colostrums to foal
- Antitoxin, E-coli antiserum, enema for foal
- Banamine for mare
- Veterinarian standby for emergencies

CRITICAL CARE FEE - **\$25/hour**

IMPRINT TRAINING FOR FOAL - **\$275** - Normally a 14-day process which begins at birth.

The foal will learn to:

- Lead independent of dam
- Stand tied
- Pick up feet without kicking
- Have tail and inside of hocks and gaskins handled without kicking
- Be clipped, bathed, and brushed without kicking
- Desensitized to clippers, spray bottles, and plastics
- Work with human handler independent of dam
- Trailer load with and without dam
- Receive injections without fear or resistance
- Receive wormers calmly
- Be cooperative
